With a Japan Association of Athletics Federations approved category and a Japan Para Athletics approved category demonstrating its concept of “an inclusive competition anyone can join,” it is one of the largest athletics competitions in Japan*, with a variety of athletes competing in events regardless of differences such as age, nationality, or whether or not they have disabilities.

Towards the 3rd NAGASE Cup: Spreading Inclusivity Even Further

The 3rd NAGASE Cup will once again take place at the Japan National Stadium, a mecca for athletes. Events and programming are being planned in order to ensure even more athletes can participate and more spectators can watch. Details on the events and entry forms will be announced on the NAGASE Cup’s official accounts.

With the slogan of “Delivering next.”, the NAGASE Group is bringing the next value to the society of the future. As well as encouraging athletes to work towards their “next” through the NAGASE Cup, our goal is to spread inclusivity and the recognition of diversity throughout society by making it into a place where spectators, competitors, volunteers and local residents can encounter new experiences and values.
