Key Visual Released Representing a Stage Anyone Can Compete On

**—To Be Held at MUFG Stadium (Japan National Stadium) on Monday, September 21 and
Tuesday, September 22, 2026**

As of Saturday, June 13, 100 days remain until the start of NAGASE Cup 2026, an athletics competition specially sponsored by Nagase & Co., Ltd. (Head Office: Chiyoda-ku, Tokyo; Representative Director, President and CEO: Hiroyuki Ueshima) taking place on Monday, September 21 and Tuesday, September 22, 2026 (both holidays) at the MUFG Stadium (Japan National Stadium). To mark this occasion, the key visual for the competition has been released.

■About the Key Visual

The key visual shows the backs of all kinds of athletes and participants standing at the starting line, beyond differences such as disabilities or age, ready to work towards their own goals and fulfill their potential. The composition showing people from different backgrounds and with different characteristics standing in a row together symbolizes that the NAGASE Cup is an inclusive athletics competition anyone can join. The reddish-orange color reminiscent of an athletics track used for the background also represents the excitement of everyone preparing to challenge their limits.

The number “26,” drawn using lines which give a sense of speed and with athletes competing on top of it, shows how individuals overcome various boundaries to join the NAGASE Cup where they engage in their own challenges and push forward together.

■About the Slogan

The slogan of “Further, We Go. Towards Yet Unseen Scenery.” is about how the NAGASE Cup

provides many people with a place to encounter new experiences and values. This has been the slogan ever since the first NAGASE Cup in 2022, aiming to provide an inclusive venue where all athletes, regardless of factors such as disabilities or nationality, can encounter new scenery and new versions of themselves.
