

Notice of NAGASE Group Response to the Declaration of State of Emergency **(5/15 Updated)**

[Info] April 7, 2020

We sincerely express our heartfelt sympathy to everyone who has been affected by COVID-19. NAGASE & CO., LTD. hereby informs that it will extend the following measures implemented on April 8 (Wednesday) considering the Japanese government's policy.

Response Measures: Work from home for those forbidden from presenting at worksites
Applicable Worksites: Worksites of NAGASE and NAGASE Group companies within the applicable area (Group's manufacturing companies are under operations with full attention to safety measures. Please contact each person in charge for details.)

Applicable Area (Prefectures)	Applicable Period
Tokyo, Osaka, Hyogo, Aichi	Wed, April 8 – Fri, May 29 *Aichi: from Mon, April 13

The schedule reopening of worksites will be decided based on future change of the policies as well as the situation of the infection. NAGASE prioritizes the safety of employees and business partners and has already been shifting to work from home at each base. For inquiries during the period above, please directly contact each person in charge. NAGASE will strive to prevent the further spread of COVID-19 and take appropriate actions for business continuity, as well as to continue reliable supply for daily necessities. NAGASE asks all associated for their understanding regarding this inconvenience.
