

Notice of NAGASE Group Response **to the Lifting of Declaration of State of Emergency**

Following the lifting of the emergency state declaration by the Japanese government on 25 May, we will implement new working measures at the offices of NAGASE & CO., LTD. and NAGASE Group companies in Tokyo, Osaka, Hyogo and Aichi prefectures.

6/1-6/12

Employees work from home as much as possible. We limit the number of employees working at the office to 50% of the normal time.

(Group manufacturing companies continue to operate in consideration of safety. Please contact your company representative for details.).

6/15-

We will update information here (Japanese only).

The NAGASE Group will continue to place the highest priority on preventing the spread of COVID-19 and ensuring the safety of employees and business partners. We apologize for the inconvenience and ask for your understanding.
